You may be eligible for an £800 cash grant

Who is eligible?

To meet the eligibility criteria, your child must:

- be aged 21, or under
- the child or young person is not in the care of the local authority/foster care. This does not include children who are classified as a 'Child in Need' under Section 17 of the Children's Act 1989 (England and Wales)
- have a severe learning disability, or a lifelong or a life-limiting disability
- require a high level of support (for instance, have limited communication ability or be non-verbal; attend, or be eligible to attend, a specialist school; need help with things like eating, washing or dressing)
- live with their parents or carers in the areas of Liverpool, Wirral, Birmingham, Leicestershire, Rutland and Peterborough

If you meet the eligibility criteria, clinical and social work professionals can refer your family to the Marian Elizabeth Trust grant programme, administered by Family Fund. You could use this grant to buy what will support your child most, from furniture, white goods, family breaks and more. Due to limited funding there will be a deadline for applications.

How does the grant programme work?

1. If you are eligible, a registered medical or social work professional involved in your child's care will need to submit a grant referral
2. Family Fund will send you an email and ask you to fill out a short form and check all your information is correct
3. If you're accepted for a grant, you'll have to share your bank details with Family Fund on their secure portal
4. You will receive an £800 BACS payment straight into your bank account
5. You can use your grant to buy items that will support your child most (like kitchen appliances, technology items, family breaks, and more)
6. Family Fund may contact you to check how you spent your grant
